School Council and Eco Committee discussions

Week beginning 21st September 2009

School Council

The revised school rules - what do the children think about these? Extra rules? Are there any rules we can do without?

Eco Committee

What would we like to do with the old tennis court? Should it be "done up"? If it is done up what should it be for?

Organise litter picking for one week Class 7 first then Class 6 and downwards. Work this on a rota. Eco representatives to organise and report if there are any problems. (Older children to bring in old plastic bags to collect the litter in.)
