School Council and Eco Committee discussions

Week beginning 23rd November 2009

School Council

Assembly format should be reconsidered. Council would like one week whole school second week upper assembly and lower assembly separately. Mr Forsyth suggested that this was discussed in class councils and he would discuss with the teachers.

In assembly the children would rather not have the clapped greeting.

The sweets issue was discussed.

A questionnaire will go to children to find out what they are happy with and not happy with in school. The children will consider what questions they would like to be asked (topic areas for questions).

Email letter to parents is still not done Mr Forsyth needs to work with the Class 3 representatives

Eco Committee

Eco-Committee would like more Eco songs in assembly.

Sponsor an animal. Class 5 will raise the money to continue to sponsor their Polar Bear themselves. Class 4 will discuss in class council what animal they should sponsor and how they will pay for it.

Mr Forsyth still needs to go to Classes 4 and 5 for 10:10 explanations.
